A new commandment I give to you, that you love one another; as I have loved you, that you also love one another. By this all will know that you are My disciples, if you love one another. John 11:34,35

Love is in the air. With February, we celebrate Valentine's Day and love. Some form of the word "love" is mentioned over 500 times in the Bible. The Bible declares that God is love (1 John 4:8). Love is His very nature and we only know what real love is through Him.

In the verses above, Jesus commands His disciples to love one another as He has loved them. He also shares that one is known as His disciple by loving one another. But how does this look in the life of a follower of Jesus? Love is manifested primarily in words and actions. How we speak to or about someone reflects love. Serving one another also reflects love for them. Romans 13:10 says "love does no harm to a neighbor; therefore love is the fulfillment of the law". Biblical love is called the greatest gift and described in 1 Corinthians 13.

God has demonstrated His love for all by giving His Son Jesus to die for all. Hate, speaking evil about others, gossip, and such should never be in the life of a follower of Jesus. Love one another for God's glory!
