O Lord, You are my God. I will exalt You. I will praise Your name. For You have done wonderful things; Your counsels of old are faithful and truth. Isaiah 25:1

Isaiah chapter 25 is all about praising God for what He has done and what He will do in the future. This month's newsletter focuses on some things God has done at River View in 2024. The space here does not allow everything that He has done this past year to be included. He has done so much and all we can say is "You have done wonderful things and we exalt You".

Just as Isaiah praises God for the things He will do in the future, we also as a church family, want to praise God for what He is going to do. Let's praise Him for the upcoming construction project in 2025. Let's praise Him for even more salvations and new church family members in 2025. Let's praise Him for the new ministries He will start here at RVBC and all the people that will be disciplined in this new year. Praise Him for the new leaders that will be serving this year and the spiritual growth of our church family. Praise Him, praise Him! He is worthy. He has done great things and will do even greater things.
