For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. John 3:16

John 3:16 is undoubtedly the most known verse in all of the Bible. This verse is commonly seen at sporting events, on t-shirts, and quoted frequently. It clearly communicates the gospel to all.

For God so loved the world - according to the Bible, God is love and there is no one He does not love.

That He gave His only Son - God's love is demonstrated in the giving of His only Son. Jesus lived a perfect life that we cannot, He died on a cross for our sins, was buried, and resurrected on the third day for us all.

That whoever believes in Him - according to Scripture, this believing in Him includes repentance, faith, and receiving Jesus as Savior. The whoever means anyone can - God invites everyone to come.

Should not perish but have everlasting life - whoever receives Christ in this manner will not perish in hell, but has everlasting life.

Join us on March 16th to hear more about John 3:16.
